

SOUTH-WE-GO

The "Close-in"
Allotment

GRASP THIS OPPORTUNITY to become a property owner in South Marion, right in the very center of the greatest real estate movement of the year, and where the full force of the many thousand dollars, now being spent for public improvement, is being felt.

SOUTH-WE-GO

The splendid new "close in" allotment, with all the improvements of city lots, and at prices at half that property around and adjoining is being sold for. Lots from \$25 to \$100. No interest. Terms: \$1 down, \$1 per week. Go out and see for yourself that **SOUTH MARION IS "IN THE LEAD."**

See the wonderful improvement and development of South Marion. See the new homes springing up on every side as if by magic. Note the following:

The Sawyer Sanitorium is to be erected just beyond this property. The new pike joining Prospect and Greencamp Pike runs through the whole length of the property and is a continuation of Davids street. Both city and interurban car service. Both Public and High School within three blocks of these lots. Cement sidewalks in front of each lot free of cost to the purchaser. An interurban station made from white glazed brick to cost half a thousand dollars, and numerous other improvements. Go out and see for yourself. These improvements are not proposed, but are actually being carried out. By May 25th the greater part of the improvements will be completed. Plant your money in South Marion and watch it grow.

OPENING SALE SATURDAY, MAY 25th.
